DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of  
Joanna Nave as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,  
Emmet Starr appeared before the Commission to the Five Civilized  
Tribes and made application for the enrollment of Joanna  
Nave as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Joanna  
Nave is identified on the Cherokee authenticated roll  
of 1880 as a Cherokee by blood

The application made on June 30, 1902, in behalf of the  
above named applicant, included all persons whose names were found  
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted  
for. Since these applications were made the Commission, and the  
Commissioner, to the Five Civilized Tribes, have diligently sought  
information that would enable them to identify the persons whose  
names are included therein.

During the months of August, September and October, 1902,  
the Commission to the Five Civilized Tribes maintained an office at  
Tahlequah, the Capital of the Cherokee Nation, during which time  
the National Council of said Nation was in session, each and every  
member of which, upon request, appeared before said office and gave  
such information as he possessed relative to the identity of the  
persons whose names are included in said applications; a special  
enrolling party, traveling overland, has covered the Cherokee  
Nation seeking information as to these persons; at the Cherokee  
land office opened on January 1, 1903, at Vinita, and afterward  
removed to Tahlequah, Indian Territory, such information has been  
constantly sought; and since the filing of said applications the  
General Office of the Commission and the Commissioner, located at  
Puskogee, Indian Territory, has used all available means to secure  
evidence as to whether or not the persons whose names are included  
in said applications were living on September 1, 1902, and if so,  
whether or not they were entitled to Cherokee citizenship on that  
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Joanna Nave on September 1, 1903.

IT IS THEREFORE ORDERED: That the application for the enrollment of Joanna Nave as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mary O'Riley as a citizen of the Cherokee Nation.

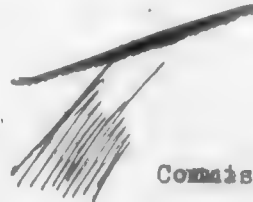

THE EVIDENCE IN THIS CASE SHOWS: That said Mary O'Riley is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons, whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of  
**Mary O'Riley** on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of **Mary O'Riley** as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Feamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Ewell, J. W. Horn, David McDaniel, George Morgan, F. J. COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of  
--- Pathkiller as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of --- Pathkiller as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said --- Pathkiller is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of --- Pathkiller on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of --- Pathkiller as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Fanner (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Russell, J. W. Horn, David McDaniel, George Morgan, E. J. O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of--- Path-killer as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said --- Path-killer is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -- Path-killer on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of --- Path-killer as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mary Peace-maker as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Mary Peace-maker is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

Akie Peamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, ~~Emmet~~ Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of W. A. Reese as a citizen of the Cherokee Nation.

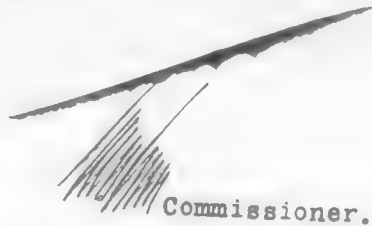

THE EVIDENCE IN THIS CASE SHOWS: That said W. A. Reese is identified on the Cherokee authenticated roll of 1880 as a citizen by intermarriage.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of W. A. Reese on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of W. A. Reese as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Tah-yah-ne Rider on September 1, 1902.

In the matter of the application for the enrollment of  
Hambleton Still as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Hambleton Still as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Hambleton Still is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterwards removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Hambleton Still on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Hambleton Still as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Feamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 78 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Russell, J. W. Horn, David McDaniel, George Morgan, F. J. O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, ~~Emmet~~ Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Nancy Squirrel as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Nancy Squirrel is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

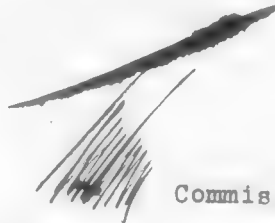

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications, the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nancy Squirrel on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nancy Squirrel as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee B-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Corley, Levi Russell, J. W. Horn, David McDaniel, George Morgan, W. J. O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Tom Sevier as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Tom Sevier is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

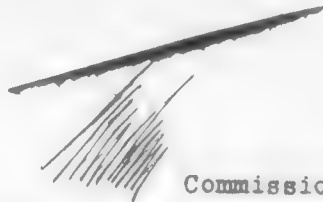

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Talliquah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Talliquah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Tom Sevier on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Tom Sevier as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Wick Weaver (Cherokee 2-2043) is also identified on the Cherokee census roll of 1900.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 70 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Russell, J. W. Horn, David McDaniel, George Morgan, F. J. In the matter of the application for the enrollment of  
Mary Smith as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mary Smith as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Mary Smith is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

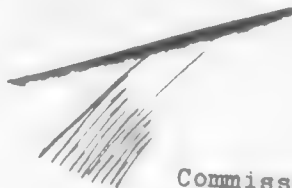

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Talleguah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Talleguah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Mary Smith on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mary Smith as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the applications for the enrollment of  
Peter Speaker, et al., as citizens by blood of the Cherokee Nation.

O R D E R

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Peter Speaker and Betsy Speaker, their families and descendants as citizens of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, August 12, 1902, in which it is shown that the correct name of the said Betsy Speaker, is Che-yaw-si Speaker, and she will now be listed for enrollment as Che-yaw-si Speaker. The records further show that at Tahlequah, Indian Territory, August 12, 1902, application was made for the enrollment of Thomas Foreman (grandson of the said Peter Speaker) and one Chelousa Bullfrog. The application for the enrollment of said Chelousa Bullfrog is differently classified, and her right to enrollment will not be considered in this decision.

Since the applications were received by the Commission to the Five Civilized Tribes for the enrollment of said persons as citizens of the Cherokee Nation, the Commission and the Commissioner to the Five Civilized Tribes have diligently sought information which would enable them to determine whether or not said persons were living September 1, 1902, and if so, whether or not they were entitled to enrollment on that date. No information has been received tending to show the status of said persons on September 1, 1902.

IT IS, THEREFORE, ORDERED: That the applications for the enrollment of Peter Speaker, Che-yaw-si Speaker and Thomas Foreman as citizens of the Cherokee Nation, be, and the same are, hereby, dismissed.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of  
CHELOUSA BULLFROG as a citizen by blood of the Cherokee Nation.

O R D E R

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, August 12, 1902, J. W. Craig appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of, among others, Chelousa Bullfrog as a citizen by blood of the Cherokee Nation. The others included in said application have been heretofore disposed of and their right to enrollment will not be considered in this decision.

Since the application was made for the enrollment of said Chelousa Bullfrog as a citizen by blood of the Cherokee Nation, the Commission and the Commissioner to the Five Civilized Tribes have diligently sought information which would enable them to identify said Chelousa Bullfrog, or her parents, upon some of the tribal rolls of the Cherokee Nation, but such information has not been obtained.

The Act of Congress approved May 31, 1900 (29 Stats., 321), o in part provides:

"That said Commission shall continue to exercise all authority heretofore conferred on it by law. But it shall not receive, consider, or make any record of any application of any person for enrollment as a member of any tribe in Indian Territory who has not been a recognized citizen thereof, and duly and lawfully enrolled or admitted as such, and its refusal of such applications shall be final when approved by the Secretary of the Interior."

I am, therefore, of the opinion that, under the provisions of the Act of Congress above noted, I am without authority or jurisdiction to receive, consider, or make any record of the application for the enrollment of said Chelousa Bullfrog as a citizen by blood of the Cherokee Nation; and that I should refuse to receive or consider the same, and it is so ordered.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Cherokee D 2419

In the matter of the application for the enrollment of  
Lizy Spring-water as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Lizy Spring-water as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Lizy Spring-water is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tallequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to those persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tallequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Lizy Spring-water on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Lizy Spring-water as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Dated at Muskogee, Indian Territory,

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Eysell, J. W. Horn, David McDaniel, George Morgan, W. J. In the matter of the application for the enrollment of  
Nelson Schrimsher as a citizen of the Cherokee Nation.

---  
O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, ~~Emmet~~ Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Nelson Schrimsher as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Nelson Schrimsher is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and after and removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nelson Schrimsher on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nelson Schrimsher as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Eysell, J. W. Farn, David McDaniell, George Morgan, W. J. Carter, Lewis Cordrey, Thompson Gritts, Annie Gustin, Henry Gustin, Laura Johnson, Mary Phillip, Thomas Runnels, William Raft, Jennie Raft, Charlotte Smoker, Nancy Sunday and Betsy Sullateskee, whose names appear on the Cherokee census roll of 1896.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1898.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1901 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Feamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from petitions appearing at the Cherokee Land Office, principally from field residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 28 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Cherokee D 2428

In the matter of the application for the enrollment of  
Rachel Turner as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Rachel Turner as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Rachel Turner is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Rachel Turner on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Rachel Turner as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1901 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES,  
Cherokee D 2438

In the matter of the application for the enrollment of  
--- Tooker as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of --- Tooker as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said --- Tooker is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -- Tooker on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of -- Tooker as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Cherokee D 2436

In the matter of the application for the enrollment of  
Nancy Tarripin as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Nancy Tarripin as a citizen of the Cherokee Nation.

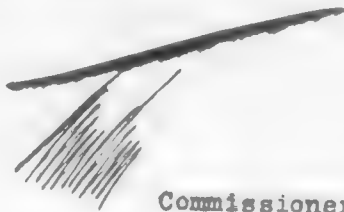

THE EVIDENCE IN THIS CASE SHOWS: That said Nancy Tarripin is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nancy Tarripin on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nancy Tarripin as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made applications for the enrollment of John Hosmer, Martha Hosmer, Sarah Vann, Lum John Guineahead, Ke-let Jumper and Oo-yo-tuck Vann, as citizens by blood of the Cherokee Nation.

The evidence herein shows that all the applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902, (32 Stats., 716), provides:--

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is therefore the opinion of this Commission that the applications made for the enrollment of John Hosmer, Martha Hosmer, Sarah Vann, Lum John Guineahead, Ke-let Jumper and Oo-yo-tuck Vann, as citizens by blood of the Cherokee Nation, should be dismissed, under the provisions of law above quoted, and it is so ordered, without prejudice.

In the matter of the application for the enrollment of  
Thorn Vann as a citizen of the Cherokee Nation.

----

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **Thorn Vann** as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Thorn Vann** is identified on the Cherokee authenticated roll of 1880 as a **Cherokee by blood**.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Thorn Vann on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Thorn Vann as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Q Near what post office did he live at the time of his death? A Salina.  
Q About how old was he at the time he died? A He was over forty years of age. He must have been forty-four, or maybe older.  
Q What district did he live in? A Saline District and he was a recognized citizen of the Cherokee Nation.  
Q The name, Young Wolf, is found on a copy of the Cherokee Authenticated Roll of 1880, Tahlequah District, who if living at the present time would be about forty-six years old. Do you think that is intended for this man Young Wolf, whom you have testified about? A Yes, sir, and I account for his being on the roll of Tahlequah District, made in that year, from the fact that he was in Prison in Tahlequah about that time and for the further reason that I know of no other person by the name of Young Wolf.

In the matter of the application for the enrollment of  
Anna Wade, as a citizen of the Cherokee Nation.

---: D E C I S I O N :---

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogee, Indian Territory, and made application for the enrollment of Anna Wade as a citizen of the Cherokee Nation.

It appears from the records of the Commission that during the month of September, 1899, application was also made for the enrollment of said applicant as a citizen by intermarriage of the Choctaw Nation, and on January 30, 1901 she appeared before this Commission, at Muskogee, Indian Territory, and under the provisions of Section 21 of the Act of Congress approved June 28, 1898, (30 Stats., 495), elected to be finally enrolled and receive her allotment of lands as a citizen by intermarriage of the Choctaw Nation. The name of said applicant (as Annie E. Smith) appears as No. 777 in a list of names prepared by this Commission, of persons entitled to enrollment as citizens by intermarriage of the Choctaw Nation and approved by the Secretary of the Interior May 7, 1904.

It is therefore the opinion of this Commission that the application made for the enrollment of Anna Wade, as a citizen of the Cherokee Nation, should be denied under the provisions of Section 21 of the Act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Fannet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Susan Waker as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Susan Waker is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Susan Waker on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Susan Waker as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 73 thereof, provides:

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Stand Young-beaver as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Stand Young-beaver is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Musk-gee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Stand Young-beaver on September 1, 1906.

IT IS THEREFORE ORDERED: That the application for the enrollment of Stand Young-beaver as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

His name appears upon the 1880 Cherokee Orphan roll, Canadian District, and opposite his name is a note stating that he is residing with J. M. Lynch. It appears that J. M. Lynch was your husband.

If you know whether or not Ring Foreman is living please inform the Commission, as early as possible, of his present whereabouts, giving his post office address and such other information as you may have that will enable the Commission to take proper steps in determining his right to enrollment.

In the matter of the application for the enrollment of  
Lucinda Fivekiller as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Lucinda Fivekiller as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Lucinda Fivekiller is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Lucinda Fivekiller on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Lucinda Five Killer as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ollie Downing as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ollie Downing is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Chickasaw Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Ollie Downing on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ollie Downing as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

JOHN POSSUM:

From testimony taken in this case it would appear that the wife of John Possum was a Shawnee, Mah-tah-mea-shee also known as Mary Gibson. That John Possum was a brother or a half-brother of Mrs. Thoma, Washington, Delaware 63 and that he and his wife lived with her; that after the death of John Possum Mah-tah-mea-shee married Samuel or "Sam" Perry who is identified as Cherokee 10600, Census Card 4429; and they lived together one or two years; that Sam Perry left her to live with Amanda Squirrel, and that about a month after their separation a girl child was born to Mahtahmeashee, that the child died before its mother, and that Mahtahmeashee died in 1895. It is also stated that she died "about three years after" she and Samuel Perry separated.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of  
John Badder as a citizen of the Cherokee Nation.

---:---  
O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Badder as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John Badder is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of John Badder on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Badder as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

COMMISSION TO FIVE TRIBES.

Southwest City, Missouri, May 15, 1905.

DEPARTMENT OF THE INTERIOR,  
COMMISSION TO THE FIVE CIVILIZED TRIBES.

CHEROKEE D 2475.

In the matter of the application made for the enrollment of Anna Lanie or Lanier, as a citizen of the Cherokee Nation.

Claud L. Washburn, being first duly sworn, testified as follows:

BY THE COMMISSION:

- Q What is your name? A Claud L. Washburn.  
Q What is your age, Mr. Washburn? A 47.  
Q What is your post office address? A Southwest City, Missouri.  
Q Are you a citizen by blood of the Cherokee Nation? A Yes, sir.  
Q In what district were you living in 1880? A Delaware.  
Q Did you once know a woman in Delaware District by the name of Annie Lanie?  
A I did not know a girl by the name of Annie Lanie, but I knew a girl by the name of Annie Lanier, my sister's child.  
Q Was this Annie Lanier of whom you are speaking living in the Delaware District when the 1880 Cherokee Tribal Roll was made?  
A Yes, she was living there.  
Q About how old would Annie Lanier be if living at the present time?  
A About 27 - some where along there.  
Q What was the name of her father?  
A L. C. Lanier.  
Q What was the name of her mother?  
A Annie Washburn Lanier.  
Q Did you ever know any other person whose age would correspond to the age given by the name of Annie Lanie or Annie Lanier in the Delaware District?  
A No.  
Q Is the Annie Lanier of whom you speak living or dead?  
A Dead.  
Q About how long has Annie Lanier been dead?  
A About 17 or 18 years.  
Q She was your sister's child, was she?  
A Yes.  
Q What is your opinion as to the Annie Lanie given here being the Annie Lanier of whom you testify?  
A I think they are the same person.

Annie Lanie is identified on the 1880 Cherokee Tribal Roll Delaware District, and is listed from information on Cherokee Doubtful Card number 2475. This is without doubt Annie Lanier about whom the witness testifies.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 15th day of May 1905, and that the above and foregoing is a full, true and correct transcript of his stenographic notes taken in said case.

It appears from the record herein that on June 30, 1902

Territory, and made application for the enrollment of Annie Lanie,  
who is duly identified upon the 1880 Cherokee Tribal Roll, Delaware  
District, as a citizen of the Cherokee Nation, and she was  
listed on Cherokee Enrollment card number 2475.

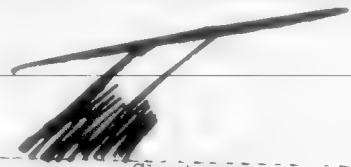

It further appears from the record herein that the said  
Annie Lanie died prior to September 1, 1902.

Section twenty-five of the act of Congress approved July  
1, 1902 (32 Stat., 716) provides:

of all persons then living and entitled to enrollment on  
that date shall be placed on said roll by the Commission  
to the Five Civilized Tribes."

It is, therefore, ordered that the application for the  
enrollment of Annie Lanie, as a citizen of the Cherokee

Applications have been made to this Commission for the enrollment, as citizens of the Cherokee Nation, of F. L. Thompson and Anna Janie, who, if living, are about 26 and 28 years of age, respectively. Their names appear upon the 1880 Cherokee Orphan Roll, Delaware District, and opposite their names are notes which state that they reside with G. L. Washburn. Doubtless you know something of these persons.

If you know whether they are living, please inform the Commission of their present whereabouts, giving their post office addresses and such other information as you may have that will enable the Commission to take proper steps to ascertain their right to enrollment.

Respectfully,

(SIGNED): *Tamc Bixby.*

Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory; such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of F. L. Thompson on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of F. L. Thompson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee 2-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of  
John Aaron on September 1, 1902.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mary Killer as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Mary Killer is identified on the Cherokee/Authenticated roll of 1860 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Mary Killer on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mary Killer as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Fred Bowers as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Fred Bowers is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Fred Bowers on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Fred Bowers as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of George French, et al., as citizens by blood of the Cherokee Nation, consolidating the applications of:-

George French, Cherokee D-2518  
William French, Cherokee D-2517.

---: D E C I S I O N :---

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogee, Indian Territory, and made applications for the enrollment of George French and William French, as citizens by blood of the Cherokee Nation. Additional proceedings were had in the matter of said applications, at Tahlequah, Indian Territory, on August 16, 1902.

It appears from the evidence in this case that George French and William French are Cherokees by blood, and are identified upon the 1880 Authenticated Cherokee Roll. George French is also identified upon the 1896 Cherokee Census Roll. The evidence further shows that both the applicants above mentioned removed from the Cherokee Nation to North Carolina in 1890 or 1892, where they have since resided.

In view of said absence on the part of the applicants herein, and the fact that they possess no property located in the Cherokee Nation, it is considered that they have forfeited their citizenship in the Cherokee Nation under Section II, Article I, of the Cherokee Constitution, which, in part, provides:-

"Whenever any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease."

It is therefore the opinion of this Commission that the applications made for the enrollment of George French and William French, as citizens by blood of the Cherokee Nation, should be denied, under the provisions of Section 21 of the Act of Congress approved June 28, 1898, (30 Stats., 495), and it is so ordered.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.  
Cherokee D 2519

In the matter of the application for the enrollment of  
-- Kah-no-hee-lee  
as a citizen of the Cherokee Nation.

----

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of -- Kah-no-hee-lee as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said -- Kah-no-hee-lee is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -- Kah-no-hee-lee on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of -- Kah-no-hee-lee as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr, appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Sallie Hing-ward as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Sallie Hing-ward is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and after said removal to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Sallie Hing-ward on September 1, 1908.

IT IS THEREFORE ORDERED: That the application for the enrollment of Sallie Hing-ward as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Maggie Price on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Maggie Price as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.  
Cherokee D 2543

In the matter of the application for the enrollment of  
Sallie Sleater as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Sallie Sleater as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Sallie Sleater is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Sallie Sleater on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Sallie Sleater as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of  
George E. Foreman as a citizen of the Cherokee Nation.

D E C I S I O N .

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of George E. Foreman as a citizen of the Cherokee Nation.

George E. Foreman is identified on the authenticated roll of 1880 and the Cherokee Census Roll of 1896.

An examination of the records of the Commission shows that on November 25, 1902, by direction of the Secretary of the Interior, the applicant, George E. Foreman, was enrolled as a citizen of the Creek Nation.

Section 28 of the act of Congress approved July 1, 1902 (Public No. 241), and duly ratified as provided in Section 75 thereof, provides:

"No person whose name appears on the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation".

It is, therefore, the opinion of the Commission that the application for the enrollment of George E. Foreman as a citizen of the Cherokee Nation should be denied, and it is so ordered.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **Mary Johnson** as a citizen of the Cherokee Nation.

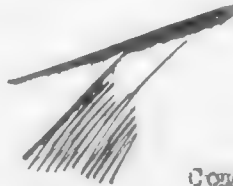

THE EVIDENCE IN THIS CASE SHOWS: That said **Mary Johnson** is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Mary Johnson on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mary Johnson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Aleck Deerinwater,

Tahlequah, Indian Territory.

Dear Sir:

Application has been made to this Commission for the enrollment, as a citizen of the Cherokee Nation, of one, George Nelson, who, if living, is about 28 years of age. His name appears upon the 1880 Cherokee Orphan Roll, Tahlequah District, and opposite his name is a note which states that he is living with one, Tarney Deerinwater. It appears that you are the son of Tarney Deerinwater.

If you know whether George Nelson is living will you please inform the Commission, as early as possible, as to his present whereabouts, giving his post office address and such other information as you may have, so that proper steps may be taken to ascertain his right to enrollment.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of -- Peter as a citizen of the Cherokee Nation.

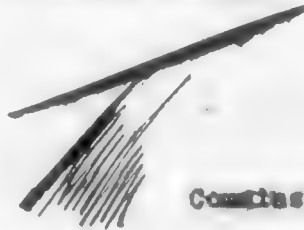

THE EVIDENCE IN THIS CASE SHOWS: That said -- Peter is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -- Peter on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of -- Peter as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

In the matter of the application for the enrollment of  
-- Tartarye as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of -- Tartarye as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said-- Tartarye is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -- Tartarye on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of -- Tartarye as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of Samuel Bugarner as a citizen of the Cherokee Nation.

D E C I S I O N .

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Samuel Bugarner as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2563.

The evidence further shows that said applicant possesses the right to enrollment as a citizen of the Choctaw Nation; that his name is included in a partial roll of citizens of the Choctaw Nation, opposite No. 13288, approved by the Secretary of the Interior March 19, 1903, and that he has voluntarily selected his allotment of land in the Choctaw-Chickasaw country.

Paragraph eight, section twenty-one of the Act of Congress approved June 28, 1898 ( 30 Stat., 495), provides:

"The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

It further appears that no formal election was made by or for the said Samuel Bumgarner to be enrolled as a citizen of the Choctaw Nation, but it is considered that the voluntary selection of his allotment of land in the Choctaw-Chickasaw country is equivalent to an election.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight, section twenty-one of the Act of Congress above noted, Samuel Bumgarner is not entitled to enrollment as a citizen of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

February 9, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith report of the Acting Commissioner to the Five Civilized Tribes, dated February 17, 1906, forwarding the record of proceedings had in the matter of the application for the enrollment of Samuel Bumgarner as a citizen of the Cherokee Nation, including the decision of the Commissioner to the Five Civilized Tribes, dated February 17, 1906, rejecting the application.

The record shows that Emmet Starr appeared before the Commission to the Five Civilized Tribes at Muskogee, Indian Territory, on June 30, 1902, and made application for the enrollment of Samuel Bumgarner as a citizen of the Cherokee Nation.

The evidence shows that the applicant possesses the right to enrollment as a citizen of the Cherokee Nation; that his name is included in a partial roll of citizens of the Choctaw Nation, opposite No. 13288, approved by the Department on March 19, 1903; and that he has voluntarily selected his allotment of land in the Choctaw-Chickasaw country.

Commissioner Bixby reports that no formal election was made by or for Samuel Bumgarner to be enrolled as a citizen of the Choctaw Nation, but it is considered that the voluntary selection of his allotment of land in the Choctaw-Chickasaw country is equivalent to an election.

Under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stat.L., 495), the Office concurs in the decision of Commissioner Bixby that Samuel Bumgarner is not entitled to enrollment as a citizen of the Cherokee Nation, and his application is therefore accordingly denied.

DEPARTMENT OF THE INTERIOR  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Myrtle Bertholf as a citizen of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Myrtle Bertholf as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2564.

The records further show that said applicant possesses the right to enrollment as a citizen of the Creek Nation; that she is duly enrolled as a citizen thereof on New Creek Census card 863, and that her enrollment as such was approved by the Secretary of the Interior on March 13, 1902. It is further shown that on September 27, 1899, Amanda J. Bertholf, mother of the said Myrtle Bertholf, appeared before the Creek Land Office and made personal selection of land for her said daughter in the Creek Nation.

Paragraph eight, section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495), provides:

"The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

It further appears that no formal election was made by or for the said Myrtie Berthelf to be enrolled as a citizen of the Creek Nation, but it is considered that the voluntary selection of her allotment of land in said Nation is equivalent to an election.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight, section twenty-one of the Act of Congress above noted, Myrtie Berthelf is not entitled to enrollment as a citizen of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of James Bullett as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said James Bullett is identified on the Cherokee census roll of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of James Bullett on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of James Bullett as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission, and for whose enrollment no previous application had been made, to-wit: Susie Parris, W. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson Jr., Joseph Bird, Elizabeth Davis and Culah-takey Jones, whose names appear on the authenticated tribal roll of 1880, and for Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes, whose names appear on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that said applicants are of Indian nationality of either Cherokee or Shawnee blood.

It appears from letters on file in these cases, received in answer to inquiries by the Commission, that all of the above

named applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public- No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the name of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr., Joseph Bird, Elizabeth Davis, Calah-takey Jones, Josie Crump, Stand W. Winton, Catherine Hall, Lewis D. DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.  
Cherokee D 2568

In the matter of the application for the enrollment of  
Melvia Denningberg as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernst Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Melvia Denningberg as a citizen of the Cherokee Nation.

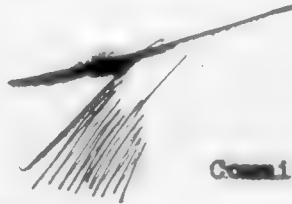

THE EVIDENCE IN THIS CASE SHOWS; That said Melvia Denningberg is identified on the Cherokee Census roll of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and after and removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Melvia Denningberg on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Melvia Denningberg as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

- Q Are you a citizen by blood of any Indian tribe?
- A I am a Cherokee citizen by blood.

- Q Have you ever applied for his enrollment as a citizen by blood of the Cherokee Nation? A No sir. He also at the same time he drew his money from the Choctaw Nation--of course him and his mother drew their money from the Cherokee which they was Cherokee through their father; but since then the Commission asked me to take his rights in the Choctaw Nation. When I went to enroll him they told me I would have to take his rights in the Choctaw Nation and enroll him through his mother. They said she had got her rights through the grandmother in the Choctaw Nation.
- Q You say that the Commission told you that you would have to enroll him as a Choctaw? A Yes, and I couldn't enroll him as a Cherokee citizen.
- Q What is the name of the mother of this child? A Sillen Victoria.
- Q Is she a citizen by blood of the Choctaw Nation? A Yes, she is a recognized citizen by blood of the Choctaw Nation.
- Q That child is living today, is it? A Yes sir.
- Q In case that the Commission should find that the child, William Foreman, is entitled to enrollment in either the Choctaw or Cherokee Nations, in which nation do you elect to have him enrolled? A I elect to have him enrolled as a Choctaw.
- Q You have stated that the Commission told you that you would have to have him enrolled as a Choctaw. Is your election in any way influenced by your belief that you would be obliged to have him so enrolled, or do you want him enrolled as a Choctaw? A I want him enrolled as a Choctaw citizen. He is Choctaw through his mother.
- Q Irrespective of any belief you may have that you would have to have him enrolled as a Choctaw, it is your wish to have him enrolled as a Choctaw? A I don't know as I would have to have him enrolled as a Choctaw because this notice notified me to come and make this election.
- Q You are not influenced in making this election by any belief that you will have to have him enrolled as a Choctaw?
- A No sir.

2-William Foreman.

- Q And that being so, you elect to have him enrolled as a Choctaw? A Yes sir.
- Q And do you, on his behalf, relinquish all rights he may have to share in the tribal rights of the Cherokee Nation in the event he is enrolled as a Choctaw? A Well, if I have him enrolled in the Choctaw Nation, of course I wouldn't claim that he would be entitled to any Cherokee rights.
- Q You relinquish any Cherokee rights he may have in that event? A Yes, of course I wouldn't try to get any rights as a Cherokee after having him enrolled as a Choctaw; that is what I have shown his right to be, ; -that is, in the Choctaw Nation.

Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of William Foreman on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of William Foreman as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of

D E C I S I O N .

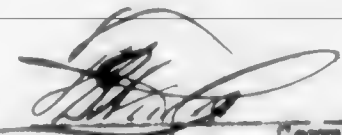

The record in this case shows that on June 30, 1902  
Emmet Starr appeared before this Commission at Muskogee, Indian  
Territory, and made application for the enrollment of William  
Nivens and Jessie Nivens as citizens of the Cherokee Nation.

The record further shows that the said William Nivens  
and Jessie Nivens are included in a partial roll of citizens by  
blood of the Creek Nation approved by the Secretary of the Interior  
on March 28, 1902, opposite Numbers 5811 and 5812, respectively,  
and that allotment of lands in said Nation have been made to, and  
accepted by, them.

It is, therefore, the opinion of this Commission that  
the application for the enrollment of William Nivens and Jessie  
Nivens as citizens of the Cherokee Nation, should be denied, under  
the provisions of section twenty-one of the Act of Congress ap-  
proved June 28, 1898 (30 Stat., 495), and it is so ordered.

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Mary Robinson as a citizen of the Cherokee Nation.

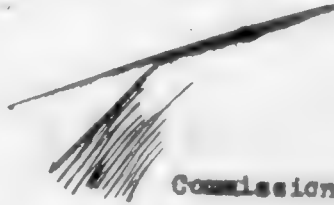

THE EVIDENCE IN THIS CASE SHOWS: That said Mary Robinson is identified on the Cherokee Census roll of 1896 as a citizen by intermarriage.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Mary Robinson on September 1, 1908.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mary Robinson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of  
Daniel Ross as a citizen of the Cherokee Nation.

D E C I S I O N .

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Daniel Ross as a citizen of the Cherokee Nation.

It appears that Daniel Ross is identified on the Strip Payment Roll of 1894 and the Cherokee Census roll of 1895.

An examination of the records of the Commission shows that the applicant, Daniel Ross, has been enrolled by this Commission as a citizen by blood of the Choctaw Nation, and that such enrollment was approved by the Secretary of the Interior on December 12, 1902.

Section 28 of the act of Congress approved July 1, 1902 (Public No. 241), and duly ratified as provided in Section 75 thereof, provides:

"No person whose name appears on the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation".

It is, therefore, the opinion of the Commission that the application for the enrollment of Daniel Ross as a citizen of the Cherokee Nation should be denied, and it is so ordered.

Akie Beamer (Cherokee 1-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cooley, Levi Hysell, J. W. Horn, David McDaniel, George Morgan, W. J. O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Benjamin V. Swift as a citizen of the Cherokee Nation.

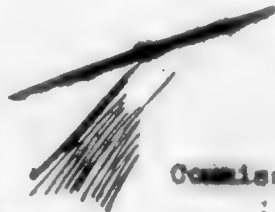

THE EVIDENCE IN THIS CASE SHOWS: That said Benjamin V. is identified on the Cherokee Census roll of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tallahassee, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tallahassee, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Benjamin W. Swift on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Benjamin W. Swift as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

DEPARTMENT OF THE INTERIOR,  
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of  
Ida L. Ward as a citizen of the Cherokee Nation.

--:--

D E C I S I O N .

THE RECORDS OF THIS OFFICE SHOW: That, on June 30, 1902, at Muskogee, Indian Territory, Benet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ida L. Ward as a citizen of the Cherokee Nation, and that said applicant was duly listed for enrollment on Cherokee card D 2588.

The record further shows that said applicant possesses the right to enrollment as a citizen of the Choctaw Nation; that she is duly enrolled as such, her name appearing opposite No. 910, on a partial roll of intermarried citizens of the Choctaw Nation approved by the Secretary of the Interior, August 3, 1904; and that she has voluntarily selected her allotment of land in said Nation.

Paragraph eight, section twenty-one of the Act of Congress approved June 28, 1898 ( 30 Stat., 495), provides:

"The several tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere."

It further appears that no formal election was made by or for the said Ida L. Ward to be enrolled as a citizen of the Choctaw Nation, but it is considered that the voluntary selection of her allotment of land in said nation is equivalent to an election.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of paragraph eight, section twenty-one of the Act of Congress above noted, Ida L. Ward is not entitled to enrollment as a citizen of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Permella Watson and her children, Robert, Georgia, John, Nellie, Lonza and Nannie Watson, as citizens by blood of the Cherokee Nation.

The evidence shows that the said John Watson, Nellie Watson, Lonza Watson, by the name of Luda Watson, and Nannie Watson, by the name of Annie Watson, are identified on the 1894 Cherokee strip payment roll, and that all the applicants herein are identified on the 1896 Cherokee census roll.

An examination of the records of this Commission shows that all of said applicants appear on a partial roll of Creek citizens, approved by the Secretary of the Interior, March 13, 1902, at the numbers hereinafter designated: Permella, by the name of Ellen Watson, #2249, Robert Watson, #2250, Georgia, by the name of George Watson, #2251, John Watson, #2252, Nellie Watson, #2253, Lonza, by the name of Louisa Watson, #2254 and Nannie, by the name of Annie Watson, #2255.

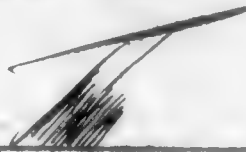

Section twenty-eight of an Act of Congress, approved July 1, 1902 (32 Stat., 716) provides as follows:

"No person whose name appears upon the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation."

-2-

It is, therefore, the opinion of this Commission that the application for the enrollment of Fernelia Watson, John Watson, Nellie Watson, Lonza Watson, Mennie Watson, Robert Watson and Georgia Watson as citizens by blood of the Cherokee Nation should be denied, under the provisions of law above quoted, and it is so ordered.

Gentlemen:

You are hereby advised that Ellen Watson, age 39 years, and her children, Robert, George, John, Nellie, Louisa and Annie Watson, ages 19, 16, 18, 13, 10 and 9 years, respectively, are regularly enrolled on Creek Indian Card, Field No. 687; that selections of land have been made for them in the Creek Nation, and that their names are included in partial roll of Creek citizens by blood approved by the Secretary of the Interior, March 13, 1902.

It appears from the record of the Creek Enrollment Division, that said Ellen Watson is a daughter of Frank Pettit, a citizen of the Cherokee Nation, and Nellie Fife, deceased, a citizen of the Creek Nation; that the father of the said children of said Ellen Watson is Thomas Watson, a non-citizen, and that probably all of the above are on the Cherokee rolls.

Respectfully,

DEPARTMENT OF THE INTERIOR,  
Office of Indian Affairs,

Washington,

March 24, 1904.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed herewith a report from the Commission to the Five Civilized Tribes, dated October 10, 1903, transmitting the record relative to the application of Permelia, John, Nellie, Lonza, Nannie, Robert and Georgia Watson for enrollment as citizens by blood of the Cherokee Nation.

October 9, 1903, the Commission held that the applicants were not entitled to enrollment. The record in this case shows that John, Nellie, Lonza, (the latter by the name of Luda) and Nannie Watson (under the name of Annie) are identified on the 1894 Cherokee strip payment roll and that all of the applicants are identified by the census roll of 1896.

The record also shows that all of these applicants have been enrolled as citizens of the Creek Nation and their enrollment was approved by the Department March 13, 1902. Permelia is enrolled at #2249, under the name of Ellen Watson. Robert Watson appears opposite #2250; Georgia by the name of George Watson at #2251; John Watson at #2252; Nellie Watson at #2253; Lonza under the name of Louisa Watson at #2254 and Nannie by the name of Annie Watson at #2255.

-2-

Section 28 of the Cherokee agreement provides that "no person whose name appears upon the roll made by the Dawes Commission as a citizen or freedman of any other tribe, shall be enrolled as a citizen of the Cherokee Nation."

In view of the fact that these applicants have been enrolled as citizens of the Creek Nation, the approval of the Commission's decision adverse to their enrollment as citizens of the Cherokee Nation is recommended.

Very respectfully,

(Signed) A. C. Tonner,

Acting Commissioner.

DEPARTMENT OF THE INTERIOR,

WASHINGTON.

March 30, 1904.

Commission to the Five Civilized Tribes,  
Muskogee, I. T.

Gentlemen:

October 10, 1903, you transmitted the record in the matter of the application for the enrollment of Permella Watson, Robert Watson, Georgia Watson, John Watson, Nellie Watson, Lonza Watson and Nannie Watson, as citizens of the Cherokee Nation by blood.

It is stated in your decision of October 9, 1903, that -

"The evidence shows that the said John Watson, Nellie Watson, Lonza Watson, by the name of Luda Watson, and Nannale Watson, by the name of Annie Watson, are identified on the 1894 Cherokee strip payment roll, and that all the applicants herein are identified on the 1896 Cherokee census roll.

"An examination of the records of this Commission shows that all of said applicants appear on a partial roll of Creek citizens, approved by the Secretary of the Interior, March 13, 1902, at the numbers hereinafter designated: Permella, by the name of Ellen Watson, #2249; Robert Watson, #2250; Georgia, by the name of George Watson, #2251; John Watson, #2252; Nellie Watson, #2253; Lonza, by the name of Louisa Watson, #2254; and Nannie, by the name of Annie Watson, #2255."

You refer to section 28 of the act of July 1, 1902, (32 Stat., 716), which provides that "No person whose name appears upon the roll made by the Dawes Commission as a citizen or freedman of any other tribe shall be enrolled as a citizen of the Cherokee Nation,"

and accordingly deny the application.

Inclosed is a copy of the Acting Commissioner of Indian Affairs' communication of March 24, 1904, recommending approval of your decision.

There is in the record no evidence whatever to show that these applicants are identical with the persons enrolled as citizens of the Creek Nation, or that, if they are, they elected to be enrolled in the Creek Nation. It appears that this application was made by one Emmet Starr, and that none of the "applicants" ever came before you for examination as to their rights as citizens of the Cherokee Nation. You are therefore directed to give the parties a hearing in order to determine their rights as Cherokees, and whether they are identical with the persons mentioned whose names are on the approved Creek roll, unless they waive, in writing, any claim to enrollment as Cherokees. The record is returned herewith.

Respectfully,

(signed) Thos Ryan,

Acting Secretary.

Dear Madam:

In the matter of your application for the enrollment of yourself and children as citizens by blood of the Cherokee Nation, you are advised that the Commission finds on the Cherokee tribal roll of 1896, Canadian District, the following names: Permelia, John, Nettie, Lonza, Mennie, Robert and Georgia Watson. It is presumed that these are the names of yourself and children.

It appears that you have made application for the enrollment of yourself and children as citizens by blood of the Creek Nation and that your enrollment in that nation has been approved by the Secretary of the Interior. The Commission desires, however, to properly dispose of these names upon the Cherokee tribal roll, and you are requested to appear before the Commission at its offices in Muskogee, Indian Territory, at nine o'clock A. Hon. Secretary of the Interior--3.

On February 2<sup>nd</sup>, 1907, the Commissioner recommended to the Department that the case of Louisa Mayfield, an applicant for enrollment as a Cherokee freedman be passed upon at the same time the case of her alleged father, Thomas Mayfield, through whom she claims her right to enrollment, was passed upon. The application for the enrollment of said Thomas Mayfield was included in the consolidated Cherokee freedmen case of Thomas Mayfield et al., in which case the Commissioner decided adverse to the applicants on February 12, 1907, his decision being forwarded to the Department on that date, and the same was approved by the Department on March 2, 1907 (I.T.D. 5980-1907). This office has not been advised of any action taken by the Department in the case of said Louisa Mayfield.

On February 28, 1907, the Commissioner transmitted a motion to reopen and reconsider the Cherokee enrollment case of Polly Johnson et al., and recommended that the same be denied. February 11, 1902 (I.T.D. 940-1902), the Department rejected the application of Polly Johnson et al., in accordance with the provisions of the Act of Congress of May 31, 1900 (31 Stats., 321). This office has not been advised of any action taken by the Department on said motion.

Hon. Secretary of the Interior--4.

It is respectfully requested that this office be advised, in order that its records may be complete, of the action taken by the Department on the above cases.

Respectfully,

Commissioner.

Sir:

The Office has received your letter of May 28, 1907, in which you say that the records in the possession of your office fail to show that any decisions have been rendered or action taken by the Department in cases enumerated by you, in which decisions had been rendered adverse to the applicants by you and forwarded to the Department on certain dates set out in your letter.

The Departmental letters covering all the matters mentioned by you are enclosed.

On March 4, 1907, the Office forwarded to the Secretary of the Interior papers transmitted by you relative to the enrollment of Louisa Mayfield as a Cherokee freedman, suggesting that her case be disposed of in connection with the case of Thomas Mayfield, et al., which was then pending in the Department, but apparently the only action taken by the Department is indicated by its letter of March 8, 1907, returning

the papers concerning Louisa Mayfield to be filed with the papers in the Thomas Mayfield case. In other words, no final action was taken on the case of Louisa Mayfield.

It is hoped that the enclosures accompanying this letter will enable you to straighten up the records of your office concerning the cases about which you inquire.

Very respectfully,

In the matter of the application for the enrollment of  
Daniel Allen as a citizen of the Cherokee Nation.

---:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Daniel Allen as a citizen of the Cherokee Nation.

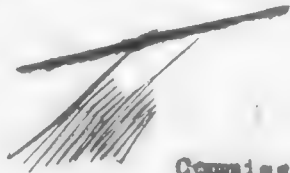

THE EVIDENCE IN THIS CASE SHOWS: That said Daniel Allen is identified on the Cherokee Census roll of 1896 as a citizen by intermarriage.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and after and removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Daniel Allen on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Daniel Allen as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

A Yes, sir; we separated in 1894 and I brought suit for divorce in 1896.

Q She left you, then, with your consent. A Yes, sir.  
Q Who made the proposition first about leaving, you or she?

A I told that it seemed we couldn't get along and live in any peace and that I thought it would be well to agree to disagree and separate in peace; that I never would harm her any and she would never harm me and that I would help her in any way I could. She said she was willing and asked if I would send her home and I sent her home.  
Q Where was her home? A In Canadian.  
Q And you sent her home? A I hired a wagon and gave her everything I had and went with her in the wagon and then I came back.  
Q Now, where were you divorced? A At Webbers Falls in the Cherokee Courts.  
Q You haven't got a copy of that decree of divorce, have you?  
Q No, sir; but it is filed away here.  
Q In your case? A Yes, sir.  
Q Has she married again? A Yes, sir; she has.  
Q Do you know that? A Yes, sir.  
Q What is her present husband's name? A Ben Cash.  
Q When were they married? A I don't know that I could tell you as to that. They have been married about two years, I guess.  
Q Are you speaking now from information or your own knowledge of the fact?  
A Of course I was not a witness of the marriage.  
Q Have you seen her since? A No, sir. They are living at Muskogee and my family are all there.--Yes, I have too seen her. I saw her last summer. She has one or two children by Cash.  
Q Is Ben Cash a white man? A Yes, sir.  
Q Where were they married--at Muskogee? A Yes, sir.  
Q You were divorced in 1896? A Yes, sir.  
Q In the Cherokee Court? A Yes, sir.  
Q The present postoffice address of Daisy Cash is Muskogee, is it? A Yes, sir.

## Commissioner to the Five Civilized Tribes

Muskogee, Indian Territory, March 9, 1907.

**NOTICE IS HEREBY GIVEN** that the undersigned, the Commissioner to the Five Civilized Tribes, has been designated by the Secretary of the Interior, as the official to make and approve appraisals of the value of improvements upon land in the Cherokee Nation which were made prior to November 5, 1906, by white persons who intermarried with Cherokee citizens prior to December 16, 1895, and who have the right under the Act of Congress approved March 2, 1907 (Public 180), to sell improvements.

**NOTICE IS FURTHER GIVEN** that former claimants to citizenship by intermarriage who have made permanent and valuable improvements on lands of the Cherokee Nation and who claim the right to sell the same under and by virtue of said Act of Congress of March 2, 1907 (Public 180), must appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, and designate the land upon which are located the improvements which they claim the right to sell by virtue of said Act; and if any such intermarried citizen shall fail to appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, it will be considered that he makes no claim to the benefits conferred by said Act. Such appearance and designation of improvements must be made before the Commissioner at his office in Muskogee, Indian Territory, at any time between Monday, March 11th, 1907, and Saturday, March 30th, 1907, inclusive, or at any of the following named places between the dates named at which places the Commissioner will have a representative to receive said designations and hear testimony relative thereto:

**Bartlesville, Ind. Ter., Monday March 18th, 1907,  
to Saturday March 23rd, 1907, inclusive.**

**Tulsa, Ind. Ter., Monday March 25th, 1907, to  
Saturday March 30th, 1907, inclusive.**

**Claremore, Ind. Ter., Monday March 18th, 1907,  
to Saturday March 23rd, 1907, inclusive.**

**Nowata, Ind. Ter., Monday March 25th, 1907,  
to Saturday March 30th, 1907, inclusive.**

**Vinita, Ind. Ter., Monday March 18th, 1907, to Saturday March 23rd, 1907, inclusive.**

**Pryor Creek, Ind. Ter., Monday March 25th, 1907, to Saturday March 30th, 1907, inclusive.**

**Tahlequah, Ind. Ter., Monday March 18, 1907, to Saturday March 23rd, 1907, inclusive.**

**Sallisaw, Ind. Ter., Monday March 25th, 1907, to Saturday March 30th, 1907, inclusive.**

Designations must be made in person by the intermarried white claimant, or in case proper proof is made that he is physically unable to appear, by some adult member of his immediate family, or in case proper proof is made of the fact that the intermarried white claimant is physically unable to appear and has no adult member of his immediate family, by a person holding a properly executed power of attorney; provided, that in every case the designation must be made by a party familiar with the character, ownership, location and value of the improvements to be designated. At the time of said designation the testimony of any competent person will be taken by the Commissioner as to the location, character and value of said improvements.

No former intermarried white claimant will be permitted to designate improvements upon more land than he would have been entitled to take in allotment for himself had he been admitted to citizenship. If any intermarried white claimant has made a tentative selection of a full allotment he will not be allowed to designate improvements upon other land.

**NOTICE IS FURTHER GIVEN** that if any citizen of the Cherokee Nation entitled to select an allotment shall claim that the improvements on land tentatively selected by a former intermarried white claimant, or held by him, do not belong to said intermarried white claimant, or makes any adverse claim to said improvements, or to the right of the intermarried white claimant to sell said improvements under the Act approved March 2, 1907 (Public 180), said citizen must appear before the Commissioner to the Five Civilized Tribes either at Muskogee, Indian Territory, prior to April 1, 1907, or at one of the places above designated and within the dates above designated and make formal complaint before the Commissioner to the Five Civilized Tribes of his contention. At Muskogee, Indian Territory, between March 11th and March 30th, 1907, inclusive, and at the other places herein named during the hearings at said places as herein fixed, plats will be open for inspection showing the location of tentative allotments made by former claimants to citizenship by intermarriage and all other land on which such claimants claim improvements, so far as indicated by the records of this office.

All persons interested should take careful note of the limitation of time herein provided for, within which designations and complaints may be made, and that they must be made by appearance before the Commissioner.

Commissioner.
